

FOR IMMEDIATE RELEASE

Herculite Products Inc. Acquires Strataglass, LLC

Acquisition expands Herculite's marine business, creating a suite of complementary products that will benefit boat owners, marine fabricators and distribution partners by delivering a world-class range of marine cover and enclosure products.

Fort Lauderdale, Florida (May 8, 2015) **Herculite Products Inc.**, the leading innovator in high performance Awning and Marine fabrics, with recognized brands such as Regatta[®] and Riviera[®] Coastline Plus[®], Patio 500[®], Natura[®], Excel M Series[®] and Vanguard[®] announced today the acquisition of **Strataglass LLC**. Based in Ft. Lauderdale, Florida, Strataglass LLC has been the industry leader in coated and non-coated, clear press polished polyvinyl sheet products for over 20 years.

The acquisition is the latest in the expansion of Herculite's brand based efforts to be a total solution provider in each of the markets they serve. "We are excited about the addition of the iconic Strataglass family of custom engineered solutions to Herculite's wide range of industry leading brands," said Peter McKernan, President of Herculite Products. Walter Johnson, President of Strataglass LLC, shares the excitement and the vision, "We are delighted for the Strataglass team to be joining a like-minded company with which we share common values and business principles. Herculite's 60 year commitment to quality and customer satisfaction will benefit our employees, distribution partners and end users."

[Strataglass](#) is the industry leading brand of premium coated press polished clear vinyl sheets that are engineered to be scratch resistant, durable, and block out nearly 100% of the spectrum of harmful UV light. It is the premium product of choice for marine enclosure applications worldwide.

[Crystal Clear 20/20](#) is the clearest, most consistent clear vinyl ever produced. These press-polished clear vinyl sheets feature a new and improved clarity. Crystal Clear 20/20 sets the standard for uncoated pressed clear polyvinyl worldwide.

[CountryView](#) serves the growing market for architectural clear vinyl windows. Now this dimensionally stable, high quality, clear vinyl is available to awning, tent, enclosure and power screen manufacturers and others who require a durable, crystal clear, glass-like alternative to standard clear vinyl roll products.
